

MULTIPLIER EVENT

Multiplier event kit

A hybrid half-day event (in person and online) for about 30 participants per event, presenting the FIRE results to local stakeholders and communities: adult educators, social workers, service providers, NGOs, education organisations, local authorities and women's associations. Informamentis Europa holds one in Italy and EDUMANSHA one in Portugal, using this methodology from Never Give Up Förderverein. The aim of each event is to show the materials in action, collect feedback, and invite organisations to use the results and join the online support network.

Funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or the Italian National Agency Erasmus+ INDIRE. Neither the European Union nor the granting authority can be held responsible for them. Project 2025-1-IT02-KA210-ADU-000354693
